

Fourth and Fifth Year High School Students Frequently Asked Questions

For students who have already completed three years of high school and are 19 years old or younger, as of September 1, high school programming will be at the Bridge Network:

- to complete their high school diploma requirements OR
- to upgrade their courses after they have graduated

How do I register?

Current Students attending Charles Spencer High School, Grande Prairie Composite High School or the Bridge Network will work with their current high school to begin the registration process to enroll with the Bridge Network for a fourth or fifth year of high school programming.

Returning Students who have not attended a division school in the last year should contact the Bridge Network Outreach School directly.

New Students will follow instructions on the main registration page. [Registration - Bridge Network Outreach School \(gppsd.ab.ca\)](#)

When does registration start?

Semester 1 - September to January (Quarter 1 & 2)

Registration opens in March of each year. Intake appointments for the Bridge Network will be offered in June, August, and September for the fall semester.

Semester 2 - January to June (Quarter 3 & 4)

Ongoing

What is an intake appointment?

Students are required to attend an intake appointment with Bridge Network administration. The purpose of this appointment is to discuss programming and to design a personalized plan for each student. The Bridge Network offers flexible programming for students allowing them, if able, to complete courses in less than a quarter or a semester. Course selections will be established during this meeting.

Where is the Bridge Network Outreach School located?

Bridge Network is located at: 9625 Prairie Road, Grande Prairie, AB T8V 6L5

(next to Dave Barr Arena)

What courses are available for me to take?

A list of course selections is located on the [Bridge Network Outreach School website](#)
