### School Plan Update

We are entering the third and final year of our Three-Year School Plan. Next year we will be working with our school community to create a new Three-Year School Plan.

- Focus on 4 values Growth – Perseverance – Risk taking – Responsibility.
- Calm 20 will be available for grade 11's in the 2023/2024 school year, originally it was offered in gr 10.
- High School intervention program found success and will continue for the 2023/2024 school year. This helps keep students on track to graduate and helps reduce the number of times a student has to retake a course.
- Advisory will change to address the connection aspect that students are missing.
- 23/24 school year admin realises that assemblies are not happening enough and will increase the amount for the 23/24 school year.

Rugby is in full swing. Both our senior boys and senior girls have full rosters and have travelled to Sherwood Park where the Girls won a silver medal and to Ross Sheppard where the girls went undefeated against some very good competition. The boys have been competitive in both tournaments as well. We were to travel to Fort St. John for a league game this Thursday but we cancelled due to Fort St. John being on Evacuation Alert and the fluctuating air quality.

Both teams are looking to go to Provincials in Calgary in June with some additions to their rosters form the Composite High School as we will send a joint team.

Track and Field. Both Junior High and Senior High District meets were cancelled this week. The Senior Meet make-up day in this Friday at Legion Field. Our Grade 9's will hopefully be competing in their district meet next week. Both meets will depend on the conditions.
