How should I prepare for my appointment?

Please arrive 10 minutes before your appointment. If you have a dress or suit, we suggest 20-30 minutes earlier so you can change into your formal attire before your session begins.

Gentlemen: Scrub your nails as your hands will be in your portraits. A white dress shirt and tie looks sharp in your grad portraits. If you don't have either, we make it easy and have several options for you to choose from. Be clean shaven; trim your moustache and groom your goatee.

Ladies Wear a shirt that won't show through the v-neck of the gown opening (a tank top works best). Have clean or freshly painted nails as your hands will be in the portraits. Also, if you choose to wear makeup, wear a little extra as it will compliment your portraits.

What should I bring to my appointment?

We encourage graduates to bring anything unique to their personality to their session!

- Props: sports equipment, musical instruments, grad ring, art supplies, animals, photographs, trophies etc.
- Outfit options: casual dress wear, sportswear, a suit, or a grad dress (Signature or Deluxe Sessions ONLY)
- Pets are also a fun way to make your portrait sessions unique (Signature or Deluxe Sessions ONLY)
