

School Photo Details...

This fall we will once again offer you the choice of different images of your child with a choice of multiple backgrounds to make your packages. After taking the photos and printing the picture proofs, we will deliver them back to your school. Proofs are shown with a white background.

To create a less complicated system for ordering, processing and delivering photos we are going with current trends to offer orders solely through an online system. First, we will send the picture proof home for you to keep this year. Second, you will place your order online but do not return the proof to the school. This small action will result in your child, yourself, the school staff and our employees eliminating the multiple times we would all touch that same item.

Ordering Online is Easy and Gives You More Options!

Go to paquins.ca and use the unique blue key code that is on your child's picture proof to view the images. Click on your favorite images to choose from a wide selection of backgrounds to create a truly unique package. Packages can have a variety of different backgrounds and poses.

You can add on retouching and personalization of your child's name to your regular enlargements too. Once you have made all your selections, click to place your order!

Please note that there is a specified date **MARKED IN RED to place your order by. On time orders are delivered to your school**

Late orders can still be placed online.

Late online orders are subject to a shipping and handling fee.

Families with 3 or more children who attend schools photographed by Paquin's are eligible for a FAMILY DISCOUNT.

Each child's order must be placed by the red "order by" date on their proof. Late orders do not qualify for the discount. Once all of your children's orders have been placed, send us an email to familyplan@paquins.ca with the order codes, your child's names and the school each child attends.

Our accounting department will then send the applicable credit back to your original form of payment.
