How should I prepare for my appointment?

Please arrive 10 minutes before your scheduled appointment. For Signature sessions, which allow outfits changes (dresses or suits), we suggest coming in 20-30 minutes earlier to allow sufficient time to be ready for your scheduled appointment.

Gentlemen: Scrub your nails as your hands will be in the portraits. A white dress shirt and tie looks sharp. We have a variety of sizes of shirts and ties to choose from. Clean shaven looks smart.

Ladies: Wear or bring a tank top or a v-neck t shirt to wear underneath the grad gown. Please have clean or freshly painted nails, as your hands will be in the portraits.

What should I bring to my appointment?

We encourage graduates to bring anything unique to their personality to their session!

- Props: sports equipment, musical instruments, grad ring, art supplies, animals, photographs, trophies etc.
- Outfit options: casual dress wear, sportswear, a suit, or a grad dress (Signature or Deluxe Sessions ONLY)
- Pets are also a fun way to make your portrait sessions unique (Signature or Deluxe Sessions ONLY)

How do I purchase my portraits?

Your session fee is due upon arrival. Images will be ready for viewing and purchasing in 48 hrs.
